

## **Application of Suppliers and Installation Organisation of Microgeneration Technological Equipment**

### **1. Information on the tender applicant**

- 1.1. Applicant's company name:
- 1.2. Applicant's details:
  - 1.2.1. taxpayer's number:
  - 1.2.2. legal address:
- 1.3. Contact person:
  - 1.3.1. name, surname:
  - 1.3.2. phone No.:
  - 1.3.3. e-mail:
- 1.4. Applicant is (*2 replies possible*):
  - 1.4.1.  – supplier of technological equipments;
  - 1.4.2.  – installation and service company of technological equipment.

### **2. Experience in the area of installation of microgeneration technological equipment:**

- 2.1. Year of establishment of the applicant's company:
- 2.2. The year of receipt of the rights of distribution of the applicant's equipment (if applicable):
- 2.3. Registration number of the Latvian Construction business and year of issue (if applicable):
- 2.4. Number of diploma of the Latvian Crafts Chamber and year of issue (if applicable):

2.5. Number of certificate issued by the Distribution Network on the awarded electrical safety group C (if applicable):

2.6. Description of implemented projects:

No.	Project title	Project location	Year of implementation of the project	Equipment used in the project
1.				
2.				
3.				
4.				
5.				
...				

### 3. Range of offered equipment:

- solar batteries with total installed capacity up to and including 10kW;
- solar collector systems with total installed capacity up to and including 25kW;
- solar collector systems with total installed capacity up to and including 140kW;
- wind power plants with total installed capacity up to and including 50 kW;
- woodchips or straw, biomass pellet and firewood boilers with total installed capacity up to and including 50 kW;
- biomass pellet boilers with total installed capacity up to and including 200 kW;
- energy sources with heat pumps with total installed capacity up to and including 50 kW.

**4. Technical specification of offered equipment and list of certificates of the equipment (copies of certificates shall be appended to the application):**

No.	Equipment	Technical data of the equipment	Title of the certificate	Location of institution issuing the certificate	Year of receipt of the certificate
1.					
2.					
...					

**5. Experience of guarantee and post-guarantee service:**

- 5.1. time period, during which the applicant ensures performance of guarantee obligations:
- 5.2. time period, during which the applicant ensures post-guarantee service and repair works:
- 5.3. certified service or equipment installation experts (copies of certificates shall be appended to the application):
- 5.4. additional information (if required):

**6. Attestation**

I, the undersigned,  
project applicant, \_\_\_\_\_  
Name, surname

hereby attest the following:

- equipment is labelled and complies with the valid CE certification;
- information included in the application is true;
- the following conditions do not apply to the project applicant:
  - o the applicant has been declared as insolvent by a court adjudication, including rehabilitation, legal protection measures;
