THE GRAN ORDEN DE CABALLEROS DEL VINO 41ST INVESTITURE DINNER 4th June 2026

Dear friends & colleagues,

As many of you will know, this year's 41st Gran Orden de Caballeros del Vino Investiture Dinner will take place on Thursday 4th June, at The Landmark London Hotel.

The unique evening will see three new members of the Gran Orden announced and officially welcomed to the membership; joining the 71 exceptional wine professionals who currently make up the Caballeros ranks, including winemakers and winery owners in Spain, wine importers and retailers in the UK, as well as chefs, restaurateurs, journalists, educators and more besides. A true celebration of the wines of Spain and those who work tirelessly to promote them, recognising and rewarding outstanding achievements. A bespoke Spanish themed menu will be designed by a Caballero Chef and the hotel's Executive Chef, to match the Spanish wines chosen for the occasion by a panel of Caballeros. The Dinner will also pay special homage to premium DO Cava wines, featured during the reception and the after-dinner bar.

We are now accepting bookings at a cost of 245,00 € per person plus a £25.00 contribution towards the Caballeros Fund. Full details are provided in the booking form and letter with details of the Caballeros fund from the Chairman of the Gran Orden, Sarah Jane Evans MW. All guests attending the Dinner (including the Caballeros members) are asked to contribute to this fund. Confirmations and full payment instructions will be sent upon receipt of your reservation form.

We hope you will agree this is an ideal opportunity to celebrate Spanish wines and look forward to welcoming you and your guests to the dinner. Please do not hesitate to contact the UK Foods & Wines from Spain team with any queries: spainfoodwineUK@comercio.mineco.es / 020 7776 7756.

Kind regards,

María Naranjo Crespo
Agri-food Industry Director

ICEX promotes Spanish food, wine and gastronomy via its brand

This call coincides with the implementation of an activity funded by the Next Generation EU programme under Spain's Recovery, Transformation and Resilience Plan. Specifically, it falls under Component 32, "Support for Recovery and Resilience in Response to Natural Disasters," Investment 5, "Evaluation of support programmes for the internationalisation of companies in areas affected by the DANA and in response to the tariff crisis."
