ICEX España Exportación e Inversiones, E.P.E. (hereinafter, ICEX), represented by the Economic & Commercial Office of Spain in London, invites companies to submit their proposals for the **EAT SPAIN DRINK SPAIN** campaign.

ICEX (www.icex.es) is a Spanish public organisation, established in 1982, whose main purpose is to promote the internationalisation of the Spanish economy. ICEX is part of the Ministry of Economy, Commerce and Business of the Government of Spain (www.mineco.gob.es), whose international economic policy it implements. However, ICEX is not part of the State administration and has a degree of budgetary and operational autonomy. For the fulfilment of its mission, ICEX has a network of professionals specialised in foreign trade. These professionals work at the ICEX headquarters in Madrid, at the 30 Territorial and Provincial Trade Offices located in different Spanish cities, and at nearly 100 Economic & Commercial Offices located in Spanish embassies and consulates around the world.

1. PROJECT DESCRIPTION

BACKGROUND

Traditionally held in the second half of the year, Eat Spain Drink Spain is an initiative originally conceived to promote Spanish wines and food products to consumers in a range of cities across the UK. Until 2019 this was achieved by taking part in wine tasting events where a selection of Spanish wines was offered for tasting alongside a selection of Spanish foods, such as nuts, olives, cured meats and cheeses. Where possible, tasting dinners were arranged with local restaurants, led by food and wine experts. In addition, promotions were set up with retailers – delicatessens and off-licences – to coincide with the wine events, as a means of promoting purchase.

In 2020, Eat Spain Drink Spain changed its focus to target primarily the trade and opinion formers, with the campaign structured around five lines of activity: activations at F&B trade shows, workshops for professionals, retailer promotions, bar and restaurant promotions and promotions on online channels of major multiples.

Currently, Eat Spain Drink Spain aims to boost the image and sales of high-quality Spanish products in the UK, supporting their presence in wine shops, delis, supermarkets and on-trade channels via retailer and restaurant promotions. Over the last 3 years there has been 144 promotional activities in restaurants, bars, wine merchants, delicatessens and other outlets; 50 in 2022, 51 in 2023, and 43 in 2024, just shy of the initial objective of 60 promotions each year.

CAMPAIGN OBJECTIVES

- 1.1.** To build and consolidate the image of Spanish food, wines and gastronomy amongst consumers, raising awareness and encouraging the choice of Spanish food and wines over those from other countries, thus increasing listings of Spanish products both in retail and hospitality businesses.
- 1.2.** To recruit establishments to run promotions in autumn 2025, between September 12th and 28th in which restaurants, independent wine merchants, delicatessens and supermarkets can propose and carry out activities they consider most appropriate for their business, such as: special offers, tastings, discounts, merchandising, product packages, special menus, etc. Under the campaign slogan "Eat Spain Drink Spain", these promotions will raise awareness of the quality of the wines and gastronomic specialties of Spain and, consequently, increase customer loyalty for Spanish products and increase sales for campaign partners.

- 1.3.** To design a promotional campaign communicating the diversity, breadth and depth of Spanish wine, food and gastronomy, to ensure wide coverage of the campaign and prove attractive to campaign partners to consolidate "Eat Spain Drink Spain" as the campaign to promote Spanish food, wines and gastronomy in the UK.

2. WHAT WE REQUIRE – PROPOSALS SHALL INCLUDE

The agency will develop a detailed and executable programme for Eat Spain Drink Spain consisting of three different activities:

- RETAILER PROMOTIONS IN WINE SHOPS, DELICATESSENS AND ONLINE
- RESTAURANT AND BAR PROMOTIONS
- COMMUNICATIONS AND PR

RETAILER PROMOTIONS

A nationwide campaign to allow participating independent wine retailers and delicatessens to apply for a tailor-made promotional pack (supplied by the agency) and the chance to win great incentives. Participating venues will be showcasing their Spanish produce during the campaign period (September 12th - 28th). Partners can participate with offers, tastings and events, providing consumers with an array of tastes, flavours and dishes that will highlight the diverse range of produce from across Spain.

Agency responsibilities:

- To recruit food and wine importers, local delicatessens, and independent wine merchants to the campaign, securing their participation with promotional events both instore and online. Agencies must be able to secure partners from across the UK and preferably in the large areas of the cities that have the highest media multiplier effect. Promotions should last a minimum of 7 days.
- ICEX will provide a list of certified Colmados from Spain venues to be invited to take part in the campaign. The events, publicity and promotion for the Colmados from Spain venues will be the same as for the rest of participating retailers.
- Develop attractive promotional material for the restaurants and bars following the campaign artwork guidelines as provided by ICEX. A pack of POS materials is required (for example posters, leaflets, promotional gifts) and posted to each establishment prior to the promotion.
- Produce a pack of digital communication tools for partners, such as digital banners, social media templates, etc.
- Include details of promotions in the media and KOL campaigns to secure success and awareness of the ESDS campaign.
- To suggest incentives and prizes for the best performing promotions (e.g. hampers, Spanish gastronomic experiences, financial incentives, etc.).
- To communicate with participating retailers, encouraging them to commit to the campaign with extensive promotions.
- To produce reports on the impact of the retailer promotions that include visual evidence of the promotions.

RESTAURANT AND BAR PROMOTIONS

Activities aimed at generating public and private events in bars and restaurants around the country to celebrate Eat Spain Drink Spain. In line with the retailer promotions, the Agency will be working to support the on-trade, inviting establishments to promote Spanish foods and wines and offer discounts and special offers during the campaign period (September 12th - 28th, 2025). Similar incentives for those who get involved will be offered as are available to the retailers.

Agency responsibilities:

- To liaise with and recruit restaurants and bars in order to arrange promotional events across the UK. Agencies must be able to secure partners from across the UK and preferably in the large areas of the cities that have the highest media multiplier effect. We recommend working with a media partner/online booking platform, both to recruit potential venues to join the campaign and to promote it to consumers, to increase consumer uptake of the events and offers put in place by partner venues. Promotions should feature in venues for at least 7 days.
- ICEX will provide a list certified Restaurants from Spain venues to be invited to take part in the campaign. The events, publicity and promotion in the Restaurants from Spain venues will be the same as for all participating restaurants and bars.
- Develop attractive promotional material for the restaurants and bars following the campaign artwork guidelines as provided by ICEX. A pack of POS materials is required (for example posters, leaflets, promotional gifts) and posted to each establishment prior to the promotion.
- Produce a pack of digital communication tools for partners, such as digital banners, social media templates, etc.
- Include restaurants and bars' promotions in the media and KOL campaigns to secure success and awareness about the ESDS campaign.
- To suggest incentives and prizes for the best performing promotions (e.g. hampers, Spanish gastronomic experiences, financial incentives, etc.).
- To communicate with participating venues, encouraging them to commit to the campaign with extensive promotions.
- To elaborate reports on the impact of on-trade promotions that include visual evidence of the promotions.

Important notes:

- The number of promotions (retailer and on-trade) is open to proposals from the agency, bearing in mind that the minimum number required is 45, of which at least 15 must be first-time partners or non-Certified Restaurants or Colmados from Spain. An example of 15 suggested establishments is required for assessment (see 7.1.II.).

- The maximum unit fee payable to the agency must not exceed the following amounts:

PROMOTIONS - WINE AND GOURMET SHOPS / RESTAURANTS	Maximum fee per Promotion (VAT excluded)
First-time partner businesses / venues other than Certified Restaurants / Colmados from Spain	£ 600

- A list of certified Restaurants and Colmados from Spain, as well as participating partners in the last 3 editions of the campaign can be found in Annex III and must not be included as suggested retailers / on-trade venues in the Technical Proposal.
