The Last Traces of the Neanderthal

FEATURE DOCUMENTARY – 1 X 90'
SCIENCE

Recently fossilized traces discovered in Matalascañas connect with the last paleontological investigations of the cave of Ardales, Gibraltar and southern Portugal, will allow us to rebuild the lives of these hominids who turned the south of the Peninsula in the last Neanderthal refuge.

Wild Territory

DOCUMENTARY SERIES – 6 X 30’
NATURE

The series “WILD TERRITORY” takes us to the so-called kingdom of biodiversity in southern Europe, to some of the best-preserved natural paradises, many of which are unknown to the public. These are places where most of the most emblematic species of Iberian and European wildlife live and find refuge today, including some as rare as the Iberian lynx, the brown bear, the imperial eagle, and the wolf.

Based in Barcelona, FILMAX is one of the most important independent studios in Spain. The company is involved in the development, production, distribution and exhibition of films and TV series, and also provides international sales services.

Mouths of Sky

FICTION SERIES – 8 X 40’
THRILLER

Following the success of the first season of the series (Mouths of Sand), this four-part thriller brings a distinctive Basque noir style, with award-winning actress Nagore Aranburu (Querer) playing a Basque police officer. This gripping detective mystery stands out for its compelling protagonist and edge-of-your-seat storytelling.

ONZA is an international audio-visual content distributor, as well as a leading content producer. It has become one of the largest distributors in Spain that offers a one of a kind service with a content portfolio that includes telenovelas, series, documentaries, as well as fiction and entertainment formats, reaching more than 120 countries.

Wolves & Lions: Old Rivals

DOCUMENTARY SERIES – 3 X 52’
NATURE

Across the planet, wolves and lions lead two legendary predator lineages: canids and felines. Both groups share a hunting instinct and a key role in maintaining ecological balance, but their strategies, weapons, and ways of life pit them against each other in a rivalry as old as nature itself. This series explores their differences and similarities —from brute strength to social intelligence— revealing who dominates in each territory.

Extreme world

DOCUMENTARY SERIES – 3 X 52’
NATURE

Since its beginnings, Earth has been a stage of extremes, where life has had to face seemingly insurmountable challenges. In the most inhospitable corners of the planet, survival seems nearly impossible. Yet, evolution has shaped extraordinary beings with astonishing abilities to adapt and thrive in the harshest environments. These creatures have developed remarkable traits, allowing them to survive where others would perish.

DIVISA RED is the oldest Spanish home video distributor and, in addition to our own portfolio, we are exclusive distributors of Disney and Paramount catalogues in Spain. DIVISA TV is the branch of the company responsible for licensing new feature films for Spain (all rights including theatrical, TV, PayTV and VOD).

In a secluded cellar, surrounded by vineyards, six patients gather to complete the infallible treatment of the enigmatic Doctor Marlow. After months of therapy, the crucial day of their “breakthrough and rebirth” finally arrives, in an unusual ceremonial tasting where they will finally meet the Doctor in person, promising to shake their emotional foundations. However, an unexpected turn of events shocks the patients.
